Nut width 52,5 mm

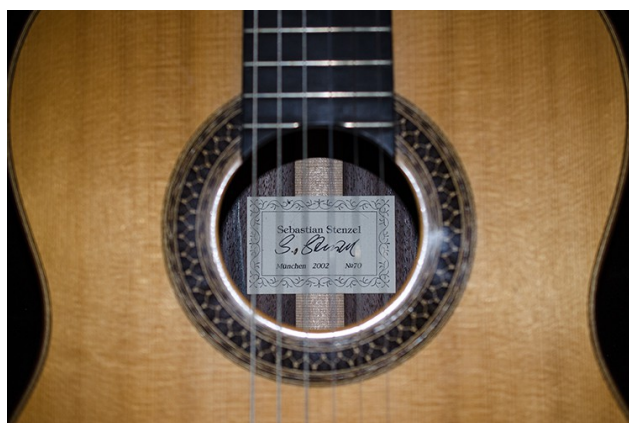

Rodgers-tuners with Mother-of-pearl buttons

Meinel-case

Price: 7'500,- EUR o.n.o.

Privat sale on behalf of first owner (no VaT) Worldwide shipping

The instrument is in excellent condition. The frets have been replaced not long ago and the French polished varnish has been restaured. The soundboard was re-polished after these pictures had been taken. The guitar has been played by a professional guitarist and has developed marvellously.

SEBASTIAN STENZEL 2002 No. 70
